

# PC-30V

## Portable Air Compressor, 30 Gallon

Cast iron, twin cylinder, oil lubricated pump features one-piece cast iron crankcase, thermally stable cast iron cylinder body, aluminum head and machined cast iron valve plates, automotive style ball bearings, durable stainless steel reed valves, oil level sight glass, easily accessible oil fill, 12" cast iron balanced flywheel

Heavy duty induction motor for maximum performance and efficiency

155 PSI max pressure for optimum tool performance

Portable tank with pneumatic tires for maximum portability

Dual voltage motor is wired for standard 120 volt outlet and may be converted for 240 volt applications.

Fully assembled and equipped with quick-set regulator, tank and working pressure gauges, quick connect air outlet and on/off switch for ease of use.

30 gallon Portable Vertical Tank

7.0 CFM @ 40 PSI

5.7 CFM @ 90 PSI

Dimensions: 24.25" x 29" x 49.75"

Weight: 185 lbs
